

# TEACHER PROFESSIONAL DEVELOPMENT 2018

In 2018 State Theatre Company offers three unique opportunities for educators to engage with artists and industry professionals and obtain certified Professional Development hours.

## WHO ARE WORKSHOPS SUITABLE FOR?

Drama, English, Dance, Creative Arts or Physical Education teachers of all year levels. Suitable for those studying to teach, early career educators or those with more experience looking to refresh their skills.

### EXPERIENCING STANISLAVSKI

Term 1 Week 3  
Tuesday 13 February, 10am – 1pm

Led by Terrence Crawford. A professional actor and the Head of Acting at Adelaide College of the Arts, Terrence is one of Australia's most experienced and respected performers and teachers.

In this session you will participate as actors in an acting class, unlocking some of the mysteries and confusions surrounding key Stanislavskian concepts. We will dismantle the idea of the Objective, and invite the imagination to take the lead. Terrence will also respond to whatever questions or concerns about acting theory that you may bring.

Participants will also have the opportunity to purchase Terrence's books - excellent guides for the teacher or director of young actors - at special rates of \$15 for one book, or \$20 for both.

### DIRECTING AND REHEARSING

Term 2 Week 3  
Monday 14 May, 10am – 1pm

Led by State Theatre Company's Artistic Director Geordie Brookman and Deputy Production Manager Gabrielle Hornhardt.

Gain an understanding of how a professional company runs rehearsals and performances from both directorial and stage management perspectives, and learn about our rehearsal process in order to make the most out of your school's own rehearsal schedule. You'll develop strategies to allow your students to experiment, devise and take ownership of their work efficiently and within a structured timeline. The workshop will allow you plenty of time to ask any questions you might have about structure, process and directing and receive advice from two of South Australia's leading industry professionals.

### STUDENT STORYTELLERS - DEVISING THEATRE

Term 4 Week 7  
Monday 26 November

Led by Josephine Were. Josephine is a graduate of The Adelaide College of the Arts, and trained with the legendary Philippe Gaulier at his school in France in Clowning, Buffon and Le Jeu.

You've got a decent starting point. An awkward question. A story that makes you laugh. A memory that is probably a lie. And then what? How might you move forward? This theatre-making workshop is a chance to dive into a range of devising methods, including tasked-based creating. Gain confidence and practical skills in making theatre to exist in non-traditional spaces and learn how to empower students' storytelling and stretch their creative capacity by exploring ideas in new ways. Create contemporary theatre with students at while developing their understanding of the art-form and their world.
